# *Top 17 Smart Christmas Gift Ideas*

We want to help you take the stress out of  
Christmas shopping!

*When they open your present, it will  
bring a smile to their face!*

## 1. Screen Magnifier for Smartphone \$15

If the person likes watching movies on their phone while they are traveling, camping, or anywhere, this would be the perfect gift for them! It works with any smartphone.

## 2. Google Nest Mini \$49

The Nest is another voice control. It will help you stream music, call someone, tell you the weather, and so much more. If you know someone that needs a "free assistant" this gift is for them!

## 3. Mr. Coffee Mug Warmer \$22

Looking for a present for a coffee drinker? This coffee warmer would be perfect for them! Their coffee would always stay warm.

## 4. Fourheart Rechargeable Hand Warmer \$18

Are you looking for a gift for someone that hunts, camps, goes to football games in the cold, or just complains about the cold all the time? This would be the perfect gift! It also has a spare power bank for electronic devices if needed.

## 5. B-hyve Smart Sprinkler System \$84

Trying to find a gift for a gardener? This sprinkler system provides watering based on the site conditions such as slope, soil type, sun, or shade. It adjusts automatically to give the right amount of water needed to your plants.

## 6. Click & Grow \$100

Is there anyone you know that has talked about wanting to grow some herbs, but they don't have a green thumb? This would be perfect for them!

## 7. LifeFuels Smart Bottle \$149

Anyone that loves to live healthy, and likes being eco-friendly, would love this gift. It turns regular water into a drink they will love. Use the little pods to get natural flavors, essential vitamins, and nutrients.

## 8. Bluetooth Smart Pen & Notebook Set \$149

Do you know anyone that likes to take notes "the old fashioned way", but they would like to be able to quickly add them digitally? This would be perfect for them! Write down your notes and it will automatically transfer to your device.

## 9. Bose Frames \$249

These Bluetooth sunglasses would be perfect for someone who likes listening to music. They are designed for the person wearing the glasses to hear the music but anyone around can barely hear it.

## 10. Google Pixel Buds \$179

Are you trying to find a gift for a travel lover? Not only do these buds have awesome audio but they can also give real-time translations right in your ear!

## 11. Apple TV \$150

If you are buying a gift for an iPhone user, they may like an Apple TV. They will be able to enjoy their existing library of music, photos, and videos. They can also enjoy streaming apps like Netflix, Hulu, and Disney+.

## 12. Nixplay 2k Smart Digital Picture Frame \$180

This would be the perfect gift for grandparents! You can create a photo sharing network, so that they always have new pictures to look at even if the family is miles apart from each other. This would be a gift that would keep going everytime you add a new picture!

## 13. Amazon Echo Dot \$19

The Echo Dot would bring a smile to a lot of people's faces. This small device can do many things. You can listen to music from any of your favorite streaming apps. If your hands are tied but need to call someone, you can tell Alexa to do it for you. You can use the Echo to add voice control to your smart home.

## 14. Dolby Atmos Speaker System \* \$400 OFF

Upgrading your loudspeaker system is one of the easiest, most effective ways for elevating your media room's performance. Dolby Atmos® has revolutionized the cinema experience with immersive sound that puts you in the middle of the story.

## 15. Basic WiFi \* \$299

Powerful, high-performance wireless router designed for today's small connected home and delivers an exceptional experience at an affordable price.

## 16. Eclipse Art Lift \* Starting at \$8,000

If your spouse loves interior-design, this would be perfect for them! You could turn that boring black TV screen into an art piece when it is not in use.

## 17. Chora series speaker \* 15% off

These loudspeakers bring Focal technology to all music lovers who crave a quality sound and appreciate sleek, on-trend design.

### \*BONUS\*

Projector trade-in: Upgrade your existing projector (working or not) to a laser powered one and enjoy a \$2500 trade-in allowance
